## Getting There by Tube

### Aldgate East (District & Hammersmith & City Lines) – 2 minutes walk

Take the **Whitechapel Art Gallery** exit from Aldgate East station (that's the white circle on the map above). Turn left after the barriers and come out onto Whitechapel High Street. To your left are a set of traffic lights.

Cross over at the traffic lights & continue down the High Street. Adler Street is on the right, alongside the small park. 'Cityside' is marked clearly on the outside of the building.

(If you take the other tube exit: turn left out of tube, cross Commercial Street, continue past Whitechapel Art Gallery, cross the road at the traffic lights as above.)

### Aldgate (Metropolitan & Circle Line) – 5 minutes walk

Turn left out of station and follow pavement round to the subway. Go down into subway and cross under road to Whitechapel High Street. Continue along side of roundabout. Walk past Aldgate East tube, cross Commercial Street, walk past Whitechapel Art Gallery. Cross Whitechapel High Street at traffic lights and continue as above.
